## FROM THE DESK OF PASTOR MARK

### FAITH IN JANUARY

As I write this, I am looking out my office window and seeing that this is a picture of what January is all about. Over the last week we have been afflicted with what weathermen call "sub arctic cold" - but should be described as a "Polar Vortex of DEATH". Temperatures have been holding at or about the zero-point making us all want to winter indoor. Something about this time of the year awakens in us the hibernation instinct, making us just want to stay home, curl up, and "GET THROUGH IT".

Yet, as I stare gloomily out my window at the dreary winter landscape, in some small corner of my mind I can picture what spring will look like. Emotionally it may be hard for me to fathom, but in just a few months the air will be softer, the warmth will return, and life will spring forth from a lawn currently covered in ice. In short, I must believe that the world will once again be living out a "comeback story".

We all love a comeback story. The underdog, apparently on the ropes and ready to be beaten, somehow miraculously comes back to defeat the villain. Whether it be George Washington at Valley Forge or David picking up a rock to sling at Goliath, comeback stories give us hope.

This is particularly significant to me right now because in a few short weeks we will be starting the season of Lent. Lent, which probably comes in dead last on our "favorite church times of the year" list, has popularly come to mean for us depravation ("Give up what you really like!"), repentance ("Say you're sorry and mean it!") and contemplation ("Go think about what you've done!). As such, we adopt the attitude that we need to just hunker down and get through Lent till we can get to the celebration of Easter yet to come.

I think Lent is something more life and faith giving than that.

Lent is the invitation to the greatest comeback story in history. Lent is a revolutionary time when we look into the darkness of our lives and world and dare to proclaim that the darkness will not, cannot win. A time when we walk through the cold hard realities of our lives with the sure knowledge that He has already tread those paths, and with Him we will come out the other side into His victory.

Lent may have the reputation of being the "January" of our faith lives, but in fact it is something that is meant to be anything but simply endured- it is something to be embraced and even celebrated. It is not simply Jesus' comeback story but our own. It doesn't start when we get to Easter, it starts here and now, as He opens a new road and invites us to journey with Him into the greatest comeback ever.

I hope that you will join us this Lent. I hope that you will take advantage of the activities and ministries we will be offering to help us along the road. But more than anything, I hope that this Lent we can all wake up, fire up, and join in His great comeback and ours.

Let's journey on to life! In my love and His,

Pastor Mark

The Media Team at church consists of Visual/Lighting, Sound and Live Stream. The Media Team provides important services and back-up to the 3 Sunday services along with special services during Lent, Easter, Christmas, The 9/11 Memorial Service, and during funerals.

Each of our different Media Teams need additional volunteers to help provide the support to all of our services. With vacations, illness, and team members wanting to take a Sunday off the remaining members double-up on services. In joining the Media Team, you could select the service(s) you would like to work. For example, with all 3 teams, some individuals work 2 services back-to-back while others work 1 or 2 different services a month. The choice would be yours!

Training is provided so that you are comfortable and confident in operating Visuals/Lighting, Sound, or Live Stream.

If you would like more information, please let Mark know and he will put you in touch with the right person or talk to Danno or Ed Warren.

## FEBRUARY FUN FACTS

The length of February was finalized when Julius Caesar remade the Roman calendar and assigned the month 28 days and 29 days. In 713 B.C., February was officially added to the Roman calendar.

Over time, the length of February kept changing. At one point, it had as little as 23 days.

Originally, February was made the last month of the calendar year. Eventually (c. 450 BC), February was moved to its place as the second month.

It was in February 1964 when The Beatles made their first American television appearance on the "Ed Sullivan Show." Over 73 million Americans watched!

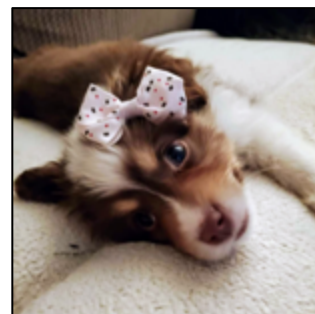

February is the only month where it's possible to go the entire time without having a full moon.

February, March, and November always start on the same day unless it is a leap year.

On February 2, 1848, U.S. and Mexico signed the Treaty of Guadalupe Hidalgo, which ended their war. The U.S. paid Mexico \$15 million in exchange for California, Nevada, Utah, Arizona, New Mexico, Colorado, Wyoming, and Texas.

The second Monday in February is celebrated as National Clean Out Your Computer Day, a day to organize and clean up your digital files.

February 20th is Love Your Pet Day, a day to show your furry friends some extra love and affection.

Have you or someone you know ever wondered about whether Jesus was truly who he claimed to be in the Bible? Is he truly God or just a good teacher? Is he truly a friend or just a judgmental foe? Is he *the* way to God or just *a* way among many?

In Louis Giglio's 5-session Bible Study, "Who *Is* Jesus?" you will explore these and other questions. The Bible Study Series will begin on Tuesday, February 27<sup>th</sup>, and end on March 26<sup>th</sup>. There will be classes available at 10AM or 6PM.

On a lonely stretch of

## Ukrainian Humanitarian Relief

### Medical Supplies

Dear Congregation,

The news of war in Ukraine strikes us all as a human tragedy and continues almost two years to this day. A quarter-world away, one may feel helpless about how to help. Medical supplies are needed. Whatever the resources of medical supplies, each is appreciated for the care it enables. Our candlelight vigil on March 9, 2022, had the effect of generating a collection of medical supplies for Ukraine.

The AMPED Youth Lock-In on New Year's Eve was a fun experience for all (except for maybe Danno, Liz, Lucy & Daniel) who chaperoned the event from start to finish! As you can see from the pictures above, the youth were split into four groups, Matthew, Mark, Luke, and John who wrote the four Gospels in the New Testament. More on that a bit later.

The evening festivities started with dinner which included tacos, nachos, soft drinks, and desert (cookies). Later in the evening, or early morning hours they rang in the New Year with a Pizza Party. The Lock-in concluded with breakfast on Monday morning. In-between all the eating were snacks and more snacks and even more snacks. There is a rumor going around that Lucy and Daniel calculated the number of snacks that were needed for the night (15 to 20 large bags), and then most all the youth attending brought more snacks.

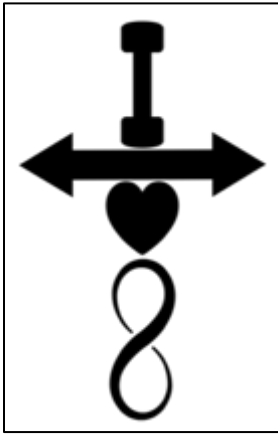

## Now for Dodgeball!

No, this is not a 'line-up' (ok...it is a 'line-up, but not the kind you typically think of). This is the start of 8 rounds of Dodgeball between the 4 groups. Amazingly, there were no injuries that we know of, however, Daniel did try to take out Lucy a couple of times.

The overall winner of Dodgeball was the Green Team with a total of 7 points. Their prize was Bragging Rights for the evening, so the games were taken very seriously!

Throughout the evening the group held 4 scripture readings, one each from Matthew, Mark, Luke, and John.

The Scripture Verses included...

- **Matthew 11:28-30** / 28 “Come to me, all you who are weary and are carrying heavy burdens, and I will give you rest. 29 Take my yoke upon you, and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. 30 For my yoke is easy, and my burden is light.” - **Barbell or Kettle Bell...** Jesus invites us to come to Him and find rest for our souls. He promises to bear our burdens and give us comfort and peace. This passage reassures us that Jesus is willing to take on our worries, fears, and anxieties and offers us a renewed sense of purpose and rest in Him.
- **Mark 16:15** / 15 And he said to them, “Go into all the world and proclaim the good news[a] to the whole creation. - **Arrows Going Right and Left...** This verse is part of the Great Commission, which is a call to the disciples to preach the truth to the people and places that will start a church. This is an invitation to all of us to spread the message of Christ's death and resurrection, which was in payment for the sins of the whole world.
- **Luke 1:37** / 37 “For nothing will be impossible with God.” - **Infinity Sign...** This was spoken by the angel Gabriel to Mary, who was chosen to be the mother of Jesus, the Son of God. It means God can do anything and nothing is too hard or impossible for Him.
- **John 13:34-35** / 34 I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. 35 By this everyone will know that you are my disciples if you have love for one another.” – **Heart...** Jesus calls us to a life that values others, serves others and loves others. He modeled this way of life for us.

Other activities throughout the evening included Basketball & SAGA Ball, Volleyball, and a Scavenger Hunt. At 11:00 the group held a Worship service followed by celebrating the New Year and Jesus. There was free time included for everyone to play board games, cards or just talk.

We would like to thank all the chaperones that helped throughout the evening. Your help and assistance were deeply appreciated.

A few additional pictures of Dodgeball!

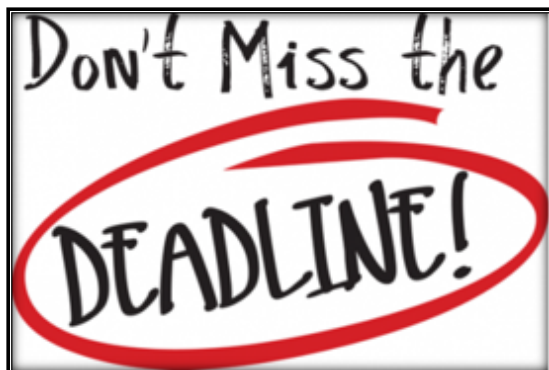

A race for the dodgeballs...

A little bravado & planning...

Do you think they are good enough to hit us?

January 15, 2024

Now that the Holidays are behind us, we can all focus our efforts on the hope of a very productive 2024. The picture is of our outdoor courthouse Christmas Eve service and is just one of the many ways we connect with our community.

Your generosity enabled us to do extraordinary things in 2023. Our successful stewardship campaign, "Changing Lives", described how your support affected lives and put us on a path to a great 2024.

Whether you are a consistent contributor, just starting your stewardship journey or someone who was moved to increase your contribution,

all gifts make a difference. It is our goal to communicate regularly to our church family on how your generosity is supporting God's kingdom.

I want to sincerely thank each one of you for your generous commitments whether it is your time, talents or financial gifts that will support all our efforts in 2024.
